# Docent Manual

## Table of Contents

### I. Docent Program Information
- Docent Program Description ........................................... 1
- Docent Application ..................................................... 3-4
- Docent Roles and Service Excellence ................................. 5-11
- Docent Task List – Incline Village .................................. 12
- Docent Task List – Tahoe City ........................................ 13
- Docent Time Sheet ..................................................... 14

### II. Exhibits of the Thomas J. Long Foundation Education Center
- Introduction and Exhibit Messages .................................. 1-4
- Welcome Tour Groups and Individuals ............................... 5-6
- Lake Tahoe Basin Watershed Map ..................................... 7-8
- Operating the Video Exhibits ......................................... 9-10
- Video Exhibit Script, Talking Points, Questions/Discussion
  - Virtual Research Vessel – Chapter 1 .............................. 11-14
  - Virtual Research Vessel – Chapter 2 .............................. 15-20
  - Virtual Research Vessel – Chapter 3 .............................. 21-28
  - Virtual Laboratory – Chapter 1 .................................... 29-36
  - Virtual Laboratory – Chapter 2 .................................... 37-40
  - Virtual Laboratory – Chapter 3 .................................... 41-45
- 3-D Visualization Lab
  - Operating the Visualization Lab .................................... 46-48
  - Operating the Earthquake Viewer ................................... 49-54
  - Earthquake talking points and information ...................... 55-61
  - Lake Tahoe Digital Elevation Model (DEM) ..................... 62-64
  - Map for Lake Tahoe DEM Data Set ............................... 65
- Research In Action Photo Wall ......................................... 63-65
- Green Building Tours
  - Green Tour Introduction ............................................ 66
  - Green Building Information ......................................... 67-72
  - Green Building Tour Talking Points .............................. 73-88
  - Green Building Systems ............................................. 89-101

### III. Eriksson Education Center
- Tahoe City UC Davis Field Station General Information .......... 1
- Introduction to the Eriksson Education Center ..................... 2
- Daily Docent Duties ................................................... 3-4
- Background Information ............................................... 5-6
- Interior Exhibit Panels ............................................... 7
- Timeline (History of the Hatchery and Introduced Species) 8-10
- Interactive Exhibits on the touch-screen monitor 11-12
- Outdoor Interpretive Panels 13-14
- Best Management Practices 15-16
- Plant Identification Signs 17-18
- Historic Food Web Poster Talking Points 19
- Current Food Web Poster Talking Points 20-23
- Frequently Asked Questions 24

IV. Science and Research at Lake Tahoe
- Environmental problems facing Lake Tahoe and Truckee River 1-2
- Research at Lake Tahoe 3-5
- Vocabulary 6-8
- Lake Tahoe Fact Sheet 9-13
- What You Can Do to Keep Tahoe Blue 14-16
- Four Decades of Change – by Dr. Charles Goldman 17-20

V. Additional Resources
- Limnology
  - Secchi Disk Information Sheet 1-2
  - RV John LeConte Information Sheet 3-4
  - Research Buoys on Lake Tahoe 5
- Biology
  - Species of Lake Tahoe’s Aquatic Food Web 6
  - Lake Tahoe Species Introduction Timeline 7
  - Changes in the Aquatic Food Web 8-12
  - Fishes of the Lake Tahoe Basin 13-19
  - Lahontan Cutthroat Trout 20-23
- Geology
  - Structure of the Earth 24-25
  - Earthquakes 26-33
  - Tahoe Geology 34-48
  - Tahoe Basin Geologic Timeline 49
  - Sierra Nevada Geologic Time Scale 50
  - Tsunami at Lake Tahoe 51-52
- Lake Tahoe Report Articles
  - What do Watersheds Matter? 53-54
  - How the Lake Interacts with its Watershed and Ecosystem 55
  - How Erosion Hurts Water Quality 56-58
  - Why Measure Water Quality at Lake Tahoe? 59
  - Can Lake Tahoe Be Saved? 60-61
  - Where Does Tahoe Water Pollution Come From? 62-63
  - Best Management Practices (BMPs) 64-65
- Under the Water – Phytoplankton 66-67
- Under the Water – Zooplankton 68-69
- Tahoe’s Natural History 70-71
- Wetlands 101 72-74
- Maps
  - Watersheds in the Lake Tahoe Basin 75
  - Lake Tahoe Bathymetry 76
  - Lake Tahoe Geologic Map 77
