

Volunteers Needed

Science Expo / April 2-5, 2019

All parents and community members interested in sharing science with local youth are needed for this year's Science Expo!

We are currently seeking volunteers to help at one or more of the following 2.5 hour sessions at Lake Tahoe Community College:

- Tuesday, April 2 | morning
- Tuesday, April 2 | early afternoon
- Wednesday, April 3 | morning
- Wednesday, April 3 | early afternoon
- Thursday, April 4 | morning
- Thursday, April 4 | early afternoon
- Thursday, April 4 | evening (public session)
- Friday, April 5 | morning
- Friday, April 5 | early afternoon

This year's theme is Physical Science. Activities will focus on properties of matter, physical & chemical changes, energy & energy transfer, forces & motion, magnetism, air pressure, friction, and more! Please feel free to sign up for more than one session as we need a number of volunteers.

Being a volunteer is fun and easy!

Training is provided and no science experience is required. Training will be held on Monday, April 1 at 5:30 p.m. at the Lake Tahoe Community College or prior to each Science Expo shift.
