

A fundraising event supporting science to save Lake Tahoe

Science Speaks Luncheon

July 19th

11:30 to 2:00 pm

Tahoe Yacht Club
700 North Lake Boulevard, Tahoe City, CA

Network. Dine. Learn.

Join us as we look beyond the State of the Lake and discuss current data, new technology, and forecast what's ahead for Lake Tahoe.

Table sponsorship is available. Proceeds will go toward selected research & education projects at TERC. Please contact amyshyakova@ucdavis.edu for details.
