

UCDAVIS

Science Speaks Luncheon

July 19th

Network. Dine. Learn.

Join us as we look beyond the State of the Lake and discuss current data, new technology, and forecast what's ahead for Lake Tahoe as TERC strives to make Tahoe home of the "world's smartest lake".

Table sponsorship is available. Proceeds will go toward selected research projects at the Tahoe Environmental Research Center. For additional information, contact amyshyakova@ucdavis.edu.

Tickets are \$75. Purchase tickets at <https://tahoe.ucdavis.edu/events>
